PURE
LUXURY
IN THE
PRESTIGIOUS
BRICKELL AREA

With a wonderfully warm climate, a magnificent outdoor lifestyle, strong multicultural vibrations and a prominent Latin flair, Miami is not just a bountiful display of beauty to those who visit it, but also a way of life for those who proudly call it home. What better way to appreciate the extravagant beauty of Miami than to indulge oneself in pure luxury by being a resident of one of the city's most desirable addresses: SkyPalace at Mary Brickell Village.

SkyPalace at Mary Brickell Village, is a 369-unit, 35-story luxury condominium tower that will rise directly above Mary Brickell Village, an open-air upscale restaurant and retail development that has become the epicenter of social life in Miami's cultural, financial, and commercial prestigious Brickell area. As a result, Mary Brickell Village is now the congregation point for social life in that area. SkyPalace at Mary Brickell Village is the residential component of Mary Brickell Village. The residences will enjoy panoramic views of the downtown Miami, Biscayne Bay, Coral Gables, and an award winning pool and recreation deck. As a result of its location in Mary Brickell Village and its amenities, SkyPalace is able to offer its residents a lifestyle choice in the form of a condominium. SkyPalace owners can work, relax, shop and dine without ever leaving Mary Brickell Village. Brought to us by one of the most successful developers in the country, Evangeline Gouletas, SkyPalace at Mary Brickell Village reflects the highest level of unprecedented value represented in the "Evangeline Signature Luxury

SkyPalace is able to offer its residents a lifestyle choice in the form of a condominium.

Condominium Collection," an exclusive distinction which is awarded only to Evangeline's residential developments that offer the ultimate in luxury and convenience and meet some of the most stringent criteria, such as: Priority Location, Appreciative Value, Internationally Recognized Architecture, Limited Edition Residences, White Glove Resident Services, Executive Property Management, Museum Quality Art, Extensive Luxury Amenities, Next Generation Technology and Advanced Security. ■
